## *Aileen's Message*

HSFAG PRESIDENT, AILEEN KANESHIRO  
DECEMBER 2020 PRESIDENT'S MESSAGE

**Charlotte** Szarmes' November presentation was like a breath of fresh air, an escape from being on-guard against COVID and wearing your PJs for longer than we would like to admit. Her power-point presentation gave an excellent historical perspective on the evolution of the fascinator and her demonstration on how to make your own fascinator was easy to follow. Thank you, Charlotte! Also thank you to our excellent camera lady, Lei Batty. Looking forward to see what creations the members come up with at our December meeting.

More details about the December meeting will be in the hands of our current Program co-chairs, Lei Batty and Alisa Au. Hope you can attend via Zoom as it will be a fun time, for sure!

We are in search of a new web master! Cynthia Oshiro has been in this position for as long as I can remember and would like to step down. She had taken on this most important role which gives our organization an impressive positive public presence. We are hoping to find someone among our membership who would be willing to serve in this capacity. If interested, please contact Karen Kuba-Hori, our nominations committee person, asap so you can be on the ballot in December. Karen's email: [kuba2351243@gmail.com](mailto:kuba2351243@gmail.com)

Earlier this year, I received a LARGE donation of mostly knit fabrics--circa 1980's--from Brenda Chee, a former student of Orpha Herrick. Anyone interested in purchasing some yardage? Please contact me at [president@hsfag.com](mailto:president@hsfag.com) I could send some sample photos on request. Let me know if you are looking for any particular color. As far as I could tell, there were no or few double knits that are often used for rug-making. The stash had been picked through by Brenda's crafty friends before they were passed on to me. Each piece of fabric will go for \$2 each and benefit the Orpha Herrick Memorial Scholarship Fund. Carrie Johnson has also dropped off some beading magazines before she left for Maryland. Please contact me if you are interested. Thanks for thinking of us again, Carrie!

Don't forget to send me your photos of your Styrofoam trees, fascinators, or any other recent creations so that they can be shared on our Instagram and Facebook pages! I prefer to receive them on my phone: 389-4995.

See you virtually on December 2--with your fascinators adorning your heads!

**Editor's Note:** Sorry guys, reserved this issue for our upcoming celebration, we will be covering our last workshop/meeting in the next newsletter.
